

NBC School Council 2024

How can you help your School Council?

Our school is best governed when parent and carers contribute actively to the important decisions and processes that impact on the learning programs and opportunities that your child receives every day.

At NBC we are fortunate to have a committed, active and rigorous School Council and in 2024 we are excited to offer the opportunity for four parents/carers from across our five campuses to join our School Council team.
